Key Takeaways:

- Current mask stock is 885,261
- The stock of masks decreased .8% from last week
- The projected 3-month need is 660,765
- The projected 6-month need is 1,387,607

Source: Los Angeles EOC

*Includes LAFD, LAPD, RAP/Shelter Staff, Harbor, Personnel, GSD, Street Services, GSD, LAWA, ITA, DOT, Aging.

Notes: The burn rate for LAFD decreased due to revised standards for reuse. LAPD burn rate = 1000/day; LAFD = 1,500/day; LAWA = 1,875/day.

The six-month need is more than double the three-month need because departments estimate that their burn rate may increase with time.
